Dear Sir. Raquel Cheja Sitton,

Through this letter I would like to express my gratitude for the wonderful and important work of being a plastic artist who demonstrates a great legacy for our children and young people with his art.

We appreciate your international cooperation in CP Magazine & Business Woman, together with Amadeus Artists Developing Peace, the UNESCO Chair of Adult Education wishing to strengthen the infrastructure of (adult) education and art and culture to increase the rate of social inclusion among citizens.

We hope your great work and published articles continue to inspire others to strengthen the wonderful infrastructure of art and culture alongside education around the world.

Thank you for your time and cooperation.

Yours sincerely,

Prof. Dr. Maurice de Greef
UNESCO Chair on Adult Education
